Dear Ms. Blazeovski:

Thank you for contacting us about a partnership in promoting our Children's License Plate. Enclosed with this letter are License Plate magnets I mentioned. Feel free to give these to your customers. The Children's Trust Fund was established in 1982 as an organization to lead child abuse and neglect prevention efforts in the State of Michigan. We receive no state general fund dollars and utilize fundraising efforts such as our Children's License plates to enable us to continue prevention efforts across the state.

Thank you again for your interest. We'll be in touch with additional information to assist in this endeavor. Again thanks for your support.

Sincerely,

Michael D. Foley
